

Great Things Happen When Professional Advisors work with the Saskatchewan Community Foundation

Benefits for Clients

- **We're local.** The Saskatchewan Community Foundation is located here in Saskatchewan and donors can meet with us in person, online, or give us a call (no chat bots here!).
- **We handle the paperwork, donors handle the giving.** We make setting up a fund quick and easy. This means donors get to concentrate on giving to the charities, causes, and communities close to their hearts.
- **We celebrate generosity on the donor's terms.** We're happy to share a donor's great work on our website and in our materials, but we also respect when people want to give anonymously.
- **We've built a strong and welcoming community.** Donors are invited to Community Foundation, charity, and local events.
