

Charity/Qualified Donee Partner Agreement

The Saskatchewan Community Foundation is eager to support partnerships where Non-Profit organizations, which lack charitable status, partner with a Registered Charity/Qualified Donee to fulfill their mission.

Both the Registered Charity/Qualified Donee and the Non-Profit must fill out and sign this form. It is important to note that if the grant application is successful, the Registered Charity/Qualified Donee must submit the Grant Agreement for the project/request and their banking information to receive any awarded grant funds.
